South West Rocks Netball Association

David – Team representatives approached us and asked about sublimated design netball dresses. We put illustrated proposals to them incorporating their requirements.

Di - Drawings of proposed uniforms and sizing samples were sent to the team. Di designed the dresses so that they met the needs of the team.

Tanya - liaised with our graphic artist and helped to process the order and ensured that the delivery was sent on time. The club told Tanya that the girls look great and that the uniforms were very comfortable to play in.

Soft Edges here to stay

- *Within this current economic climate, off-shore suppliers are not so reliable and prices are rising rapidly.*
- *Large netball suppliers relying on overseas manufacturers, have gone out of business leaving a lot of teams and distributors without uniforms.*
- *Don't place your club in a position where maybe they won't receive their new uniforms in time for next season. We can guarantee reliable, on time delivery from our Soft Edges factory in Australia.*
